

Movelux Electric Basic

Sit back and enjoy your home cinema

The well designed screen for perfect home cinema.

Similar to the Movelux Electric Comfort, however, without radio remote control and distance elements, screen type D.

Clever optical design

- Projection surface infinitely height adjustable
- Black border in 4:3 video format and 16:9 cinema format for a clear picture border, the projection boasts greater contrast
- Maintenance-free, quiet motor, connection cable approx. 90 cm (outlet back right)
- Secure thanks to automatic shutdown feature
- Suited for both wall or ceiling mounting
- Oval aluminium casing
- Casing colour: white, RAL 9010
- **NEW** Available upon request: Movelux Electric Basic in attractive silver design without black border.
- **NEW** Other RAL colours are available upon request, for an extra charge.

Screen surface

- Front projection, **Type D**
- Gain factor according to DIN 19045, approx. 1.2
- Matt white, on a woven base
- 2 cm black border
- Rear side: black

Accessories:

In-wall rotary switch
