

Möbius Electric Comfort

Superb Home Cinema without Compromise

Appealing design and great use, for private home use and for sophisticated presentations in a conference room.

The Möbius Electric Comfort screen is in a class of its own: brilliant picture presentation in a 4:3 video format, an elegant metal casing, ease of use thanks to the integrated radio remote control.

- Supplied with integrated radio remote control with hand transmitter
- Projection surface continuously adjustable
- Black border in 4:3 video format for a clear picture border, richer in contrast
- Maintenance-free, quiet electric motor; connection cable approx. 90 cm (exit right side at the back)
- Automatic shutdown feature
- Can be wall or ceiling mounted
- Particularly beautiful, oval aluminium casing
- Casing colour: white, RAL 9010
- **NEW:** Other RAL colours are available upon request, for an extra charge.

Screen surface

- Front projection, **Type S**
- Gain factor according to DIN 19045, approx. 2.2
- Mother-of-pearl tint, on a woven base
- 2 cm black border
- Rear side: black

Accessories:

- Spacer elements (40 cm) only for wall mounting
